We Can Also Refurbish your Current Chairs! Save Time, Money and The Environment.

Save up to 50% When Compared to Buying New!

At Soft Touch Furniture, we engineer, assemble and customize each product within our state-of-the-art factory. Our trained engineering and manufacturing staff has over 150 years of combined experience in designing, engineering and refurbishing commercial furniture.

FINISHING DETAILS:

We sand and stain every square inch of wood ourselves - *by hand!*

All of our wood stains contain a penetrating, alcohol-based dye that allows for a wider range of hues while maximizing color consistency.

Our catalyzed two-component topcoat finishing chemicals assures color quality and finish consistency. The topcoat system is resistant to UV light while significantly enhancing the durability of the furniture.

Choose from 1000's of coverings including fabrics, vinyls and moisture resistant Crypton® fabrics.

Why Refurbish?
