Hello April

Spring is officially here, and with it comes the perfect opportunity to refresh, renew, and get ahead before the busy season blooms. Just like the saying goes—April showers bring May flowers—and in our world, that means preparing your space now so it's ready to thrive when traffic picks up.

Whether you're planning a full remodel or just looking to freshen up your seating, our team is here to help you get ahead of the rush and bring new life into your space.

CATCH US ON WKBN 27!

We were proud to be featured recently in our WKBN commercial!

It's always exciting to showcase the other side of what we do best, restoring and repairing furniture that is meaningful to you and your family!

If you haven't seen it yet, be sure to [check it out](#) and see how we can bring that same quality into your home or even your next project!

REMINDER REMINDER REMINDER

The busy season is right around the corner and so is one of the biggest events of the year! We'll be attending the National Restaurant Association Show this May, and we'd love to connect with you there.

If you're planning on attending, let's set up a time to talk about your upcoming projects, explore new ideas, and get you ready for a strong season ahead.

April Fool's... Did We Get You?

We had a little fun this year with our April Fool's joke accepting sword battles as payment!

We hope you didn't fall for it?

Although we are not taking on duels, we do want to help you with any seating solutions possible.

[Let's get started on your project!](#)
