FEBRUARY 2026

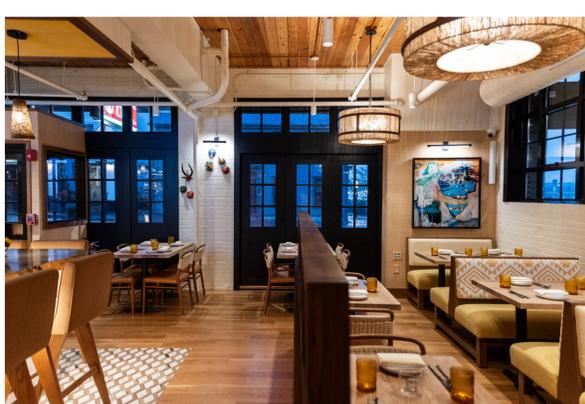

A LOVE LETTER TO YOU

There's lots to love this February! For example, we're loving this featured install in New Bedford MA. It showcases how we can use different looks and pieces and tie it all together.

We love that we'll be seeing a lot of you at the NRA show in May, and the Pizza expo in October. Check out our website's events page for details.

And we love the fact that our president, Megan Vickers, was featured in her alma mater's magazine (Kent State!) Most of all, we love pleasing our customers! Happy Valentine's Day to everyone!

We Love School Spirit

Our President, Megan Vickers, featured in Kent State University's 'Faces of Kent State.' She's a proud alumna, and we're happy to showcase her interview.

REMINDER:

We'll be in the Windy City for the NRA Show in May. More Details Here
