Happy
New
Year

Happy New Year everyone! We're excited for 2025 and moving forward with some great projects and interesting ideas to take your space to the next level.

How are you feeling about the next year? Is this the year you really get your establishment aligned with your vision? Let us help with a bold new look that'll showcase everything you have to offer, and wow your customers!

We love the colors and style on this banquette.

The back cushions hang on vinyl straps, which combined with the back and seat cushions gives it a thoroughly unique look.

Completing the picture is the denim blue paint for the base and top.

Tobin Evergreen

Hard Wood Bun Feet

It may be winter but Spring came a little early here at Soft Touch Furniture

We can't help but "Think Spring" with this awesome double booth.

The bench color and that eye-catching back pattern are like a walk through a meadow, and those hardwood bun feet really add a sense of elegance.
