RED, WHITE, & BLUE

Happy July, everyone! Summer is in full swing, the July 4th Independence Day vibes seem to last all month, and we're busy manufacturing the finest restaurant and commercial furniture possible.

This month, check out a few choice offerings, including some clever multi-functional seating. And join us as we celebrate more than 50 years of "Made in the USA" Soft Touch quality!

CHECK OUT THE PROCESS OF THIS BOOTH!

So how do we get this high back booth so precise and strong? The secret is our know-how of course, and our awesome CNC machines

What We Are Loving!

U-Shape Banquette finished sides with built-in shelves for added storage.

Multifunctional Seating Rocks!
Your guests get super comfy seating, and your staff gets awesome storage and flexibility

Waiting Bench with a hollow inside for extra storage by lifting the hinged seat.

We never get tired of mentioning that we're an American-made hospitality furniture manufacturer. Because it's important.

We Source Materials in the USA.

We Build here in the USA.

Our Business is in the USA.

Why Does This Matter?!?

Better quality. Faster lead time. More reliable sourcing. No tariffs or uncertainty on deliveries. Order by August and get your furniture installed before Fall!

Plus, your dollars are spent right here at home, in the USA!
