We had a blast exhibiting at the National Restaurant Association Show in Chicago!

Thank you to everyone who stopped by our booth. We always enjoy discussing new ideas, upcoming projects, and the future of hospitality design.

We would love to talk more about any upcoming projects

Luxury and casual dining furniture have more in common than you might think. The difference isn't about durability or price, it's about creating the right atmosphere. Our newest blog explores how furniture styles help shape the dining experience and bring a restaurant's vision to life.

Our newest Look Book was a hit at the National Restaurant Association Show, and we're excited to share it with everyone. Filled with recent projects, inspiration, and custom furniture solutions, it's a great resource for your next hospitality project.

If you haven't seen it yet, be sure to check it out on our website.
