Spring is all about fresh starts, and in the hospitality world, that means refreshed spaces, updated seating, and new concepts coming to life.

At **Soft Touch Furniture**, we've been busy bringing that energy into every seating solution we build right here in Ohio. Built in-house. Built to last. Built for your space.

This month, we'll touch on seeing everyone at the NRA 2026 Show, some unique units we wouldn't dare not share, and we have something extra that you'll just have to read to the end for!

We'll be attending the National Restaurant Association Show starting this week!

From May 16th-19th, and we can't wait to connect with you there. If you're planning on attending, come visit our booth **#357**
