FALL IS HERE!

Autumn colors are amazing, and we get lots of it here in Ohio. So now is an ideal time to acknowledge the Pantone Color of the year: **Mocha Mousse**. It's a warm, soft brown that just screams fall in all its cozy glory! Check out some of our recent installations that feature this and other autumn-inspired colors.

Our River Tables are a great conversation starter in any season, but this one really embodies Fall, doesn't it?

While we're on earthy colors, this Perfect Dark Brown Tufted Straight Banquette fits seamlessly into this sultry Italian Restaurant.

Last but not least, this Cozy U-Shape Banquette is ideal for large parties wanting to dine out together. Plus, the coloring reminds us of hot chocolate topped with whipped cream (or maybe even s'mores!) Perfect for a crisp Autumn evening!
